

Attention: Dental Health Month

Is Quickly Approaching-Book Your Dental Health Month Presentations **NOW!**

jacarandasmls.com

Hello Teachers/Support Staff!

My name is Xiomara and I am the marketing Coordinator at Jacaranda Smiles.

- Jacaranda Smiles has been teaching dental health for over ten years.
- Our presentations are fun, educational, and most importantly-customized for each group!
- Each presentation runs for about 20-30mins and each child will receive a tooth brush, a chore chart, as well as a visit from a special guest, our mascot-Geronimo!

We are pleased to offer sessions throughout the months of January & February of 2017. We ask to schedule multiple groups at once (preferably in the auditorium or cafeteria) in order to maximize time, and aid in efforts to accommodate multiple presentations at once.

Feel free to call or email marketing@jacarandasmls.com with a time and date most convenient for you.
